**A Whole School Approach to Online Safety and Cyber Resilience**

Safer Schools, a partnership between Zurich Municipal and INEQE Safeguarding Group, adopts a practical and educational approach to digital safeguarding by harnessing technology for good. Providing your entire school with age-appropriate online safety and cyber resilience advice, resources, and training, these include:

-  A free\* customised version of our award-winning App for your School.
-  Access to our free\* online resource Hubs for Home and Classroom Learning.
-  Free\* CPD Certified online Safeguarding Training for School Staff and Parents & Carers Online Safety Sessions.

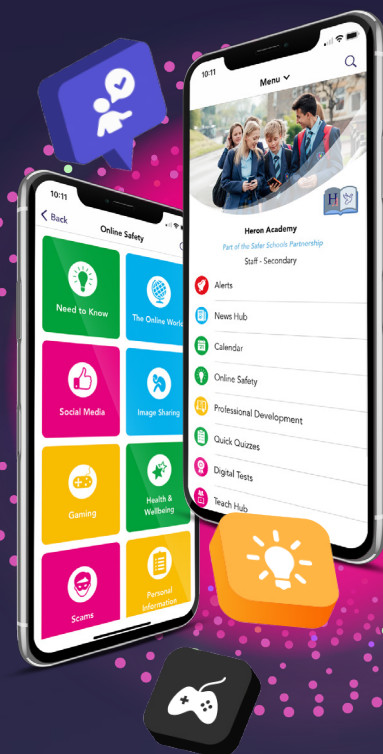

\*Safer Schools App, Resources and Training is available at no additional cost to school and LA customers that have their full programme of insurance with Zurich Municipal.

## APP

Stay Alert and up to date with age-appropriate advice about social media, gaming platforms, emerging online trends and risks. Your school will have access to a customised version of our award-winning App to engage your entire School Community.

### Key features include:

-  Your school brand, logo and photo
-  Your school news, calendars, policies and social media channels
-  Access to Push Notification technology to communicate and engage your School
-  School Survey and Reporting Absence features
-  Age-Appropriate online safety advice and signposting to help, including the basics of cyber resilience, health and wellbeing, image sharing and harmful content
-  Staff CPD Certified Safeguarding Courses including: Mental Health Awareness and Youth Produced Imagery
-  Quick Quizzes and Digital Tests to engage, reinforce and evidence learning
-  Prompts, Alerts and Safeguarding warnings directly to your device
-  Our Safety Centre – learn how to block, report, and set safety and privacy settings
-  AI Prompts – with safety messages and guidance to help and support
-  Data Lite and UK GDPR Compliant
-  And much more...

## RESOURCES

Created by experts, you will have access to contemporary and relevant resources to facilitate learning at home and in the classroom through our online Hubs.

-  Home Learning Hub
-  Teach Hub

Our Hubs all include PowerPoints, animations, lesson plans, crib notes and activities on topics such as image sharing, influencers, bullying, trusted adults and more.

"As the largest Independent Safeguarding Company in the UK and Ireland it's our 250+ years of combined safeguarding experience that has taught us, that the best way to make School communities safer is to educate and empower Staff, Parents, Carers and Pupils."

**Jim Gamble, QPM, CEO of INEQE Safeguarding Group and Founder & Former Head of the Child Exploitation and Online Protection Centre (CEOP)**

"Our Safer Schools App, resources and training have been created to support, reinforce and enhance current practice as Schools shape their Safeguarding culture in a digital world."

**Colin Stitt, Head of Service and Safer Schools Ineqe Safeguarding Group**

## TRAINING
